

Thank You

The School Health Policies and Programs Study (SHPPS) 2006 would not have been possible without the assistance of the many dedicated school health program professionals at the state, district, and school levels, who served as respondents and shared their valuable time and expertise.

SHPPS 2006 was conducted by the Division of Adolescent and School Health, National Center for Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, under contract with Macro International Inc., Calverton, MD. The following Macro International staff members contributed significantly to the study:

Joshua Brown
Lori Gross
Ronaldo Iachan
Denise Johnson
Tonja Kyle
Marion Leitao
Mirna Moloney
Courtney Mooney
Annah Ngaruro
Carolyn Ramage
