Junior Senior Graduate Student

Are you currently enrolled as a:

Full-time Student Part-time Student Not Currently Enrolled

Area of specialization for which you are applying (check one):

School Health Education
 School Nursing
 Pediatric/Adolescent Medicine or Dentistry
 Other School Health Specialization, specify: _____

Along with this completed form, the applicant must submit the following:

1. A current resume. Resumes must include any extracurricular activities and/or work experience.
2. An official academic transcript from all colleges/universities attended. Graduate students must submit undergraduate transcripts in addition to their graduate transcripts.
3. A one-page (maximum) personal statement that includes the applicant's philosophy and academic and/or professional goals as they relate to school health and the health of school-aged children.
4. *Three (3)* letters of recommendation from professionals in the applicant's area of specialization which address academic status, leadership potential, and career commitment. Of the three letters, one must be from the applicant's academic advisor and one must be from a professor of a class in which the applicant was/is enrolled. If applying in an "other" specialization, the letter from the advisor must indicate the specialization's relationship to school health and explain the academic program.
