Information about the 3Rs Training of Trainers

In January 2016, Advocates for Youth released the first-ever K-12 sexuality education curriculum fully mapped to the National Sexuality Education Standards called Rights, Respect, Responsibility (3Rs). Due to repeated requests, Advocates for Youth will host a two-day Training of Trainers (TOT) even though no training is required to implement 3Rs. The TOT will build participants’ skills to lead professional workshops focusing on the core competencies involved with effectively teaching sexuality education. The TOT will use sample lesson plans from the Rights, Respect, Responsibility curriculum and is targeted for professionals who facilitate trainings for school and community-based educators who, in turn, implement sexual health education.

TOT Trainers:

- Nora Gelperin, M.Ed., Director of Sexuality Education & Training at Advocates for Youth and co-author of Rights, Respect, Responsibility
- Elizabeth Schroeder, Ed.D., MSW, private consultant/trainer and internationally-known presenter and co-author of Rights, Respect, Responsibility

Location:

The 3Rs Training of Trainers will be held at the Renaissance Harborplace in Baltimore, MD, the same hotel where the American School Health Association conference is being held.

Timing of TOT:

The 3Rs Training of Trainers will be held from 8:00am – 4:00pm on Wednesday, Oct 5th and Thursday, Oct. 6th with lunch and snacks provided. Unfortunately, we are not able to provide breakfast on either day. The TOT will conclude just before the start of the ASHA conference on October 6th in order to allow participants to attend both.

Hotel & Travel Arrangements:

All participants are responsible for their own travel and hotel expenses to attend the 3Rs TOT. The Renaissance will honor the group rate from the ASHA conference for the nights of Oct 4th and Oct 5th.

Materials:

The 3Rs Training of Trainers will provide copies of all materials participants will need during the two-day workshop. Printing and bringing of any of the 3Rs curriculum (lesson plans, PowerPoints, supplemental materials) is entirely at the discretion of each participant.

Registration Fee:

Thanks to the support from private foundation funding, there is only a $50 fee to attend this Training of Trainers.
