Using Technology to Reach Parents and Other Caring Adults

1. What’s one key takeaway or action step from the presentation that you’ll bring to your work?

2. How might you apply the learnings from this presentation to your work with parents and other caring adults, even if you are not utilizing technology?

3. What are some digital resources you’ve found helpful in your work with parents?

4. How might you reach disengaged or less engaged parents with digital resources?

5. What have you tried? What has worked and what hasn’t?
