

Fellow Award

Description of the Award: Advancement to Fellow status is granted to individuals who are currently active members of the American School Health Association (ASHA) and who have been an active member of ASHA for at least 10 consecutive years. It is based on evidence of leadership and service to ASHA. Documentation for the Fellow award will be reviewed by the members of ASHA's Award Committee and approved by the ASHA Board of Directors. Awards will be announced during the Awards ceremony at the annual conference.

Criteria:

- Have current ASHA membership and been a member for 10 or more consecutive years.
- Have shown evidence of substantive and consistent leadership and service on ASHA committees, councils, sections, or boards.
- Have been nominated by a fellow of the association.

Nominee Packet should include:

- A cover letter from the nominating ASHA Fellow describing the individual's leadership and service to ASHA.
- Documentation formatted using the categories below mirroring the evaluation rubric. (Bullets under the headings are possible examples of contributions in each category and are provided to support the nominee/nominator in completing the nominee packet.)
- Documentation for this award should be submitted to info@ashaweb.org by the close of business on [the deadline date](#).

ASHA LEADERSHIP ACTIVITIES

- Board of Directors (BOD) member
- Chair of Subcommittee, Task Force, Ad Hoc Committee or Standing Committee
- ASHA leadership as a leader/chair of professional development activities or conference planning committee, or previous leadership role in section or council.
